

Bless The Children Ministries

Uganda, Africa

Dear Sponsors and friends,
We want to take the opportunity to give you an update on the orphaned children in BTCM's Sponsorship Program. The children just finished a summer break and the next school term will begin on September 15, 2009. Your sponsorship is making it possible for a precious child (or children) to continue to get an education, be fed and cared for, and most importantly to feel loved. The children are very

grateful for your support and want to thank you for investing in them and their future!

LETTERS:

We are anxious to connect you with your sponsored child through letter correspondence and we are working out the final details of this process.

MISSION TRIP:

We are still planning a mission trip to Uganda in Summer of 2010. Is God calling you to go?? Start praying! Details coming soon! (Contact Drew Files)

CLASSES WILL RESUME SEPTEMBER 15, 2009. BLESS THE CHILDREN'S SCHOOL.

Meet Pastor Francis

We want to introduce you to Pastor Francis, the man in Uganda that is making it all happen! Pastor Francis and his wife Topi have 13 children, 9 of which are adopted orphans.

Francis pastors New Ilfe Presbyterian Church in Mabaale, Uganda and is responsible for many small groups and church plants in the surrounding villages.

Francis and Topi have an incredible heart for the orphans and are providing and caring for them daily. It is a privilege and blessing to be partnering with Pastor Francis and his wife to care for and educate these children!

Future Projects for Bless The Children!

Medical Clinic

Bless The Children's vision for an Orphanage, School and Medical Clinic is no longer just a dream! Phase I of the school was built this year and over 300 students now attend classes! Our first small Orphan home was purchased in December of 2008, and now God has assembled a generous team from Oklahoma and New Mexico with a heart to see the Medical Clinic built!

Continued Work

The Lord has blessed the children of Mabaale, but there is still much work to be done! More classrooms are needed, as well as supplies and desks. More housing is needed for orphans, and clean water is essential and lacking. The Lord has provided so much in such little time, we have faith that all the needs will be met by God's people in His perfect timing!

URGENT NEEDS:

13 beds for orphan home: \$112 each

Clean Water for Orphans: \$2000 for a rain water tank.

Blue Prints for the Bless The Children Ministries Campus; including school, orphanage, and medical clinic. All located in close proximity to New Life Presbyterian Church.

Thank you for your continued prayer and support! We are continually amazed and humbled by the generosity of the sponsors and donors. God bless you!
